

Getting Ready for School

Develop essential skills for school with Plumtree's fun and practical school readiness program

Suitable for children entering mainstream Kindergarten in 2025.

This fun and dynamic program has been developed by a team of experienced speech pathologists, occupational therapists and teachers. The program focuses on supporting your child and your family to make a successful transition to school.

The groups will focus on developing the following school readiness skills:

- Listening and speaking: Building communication skills.
- Following instructions and answering questions: Enhancing comprehension and response.
- Pre-literacy skills: Including rhyming and letter-sound awareness.
- Fine motor skills: Improving pencil grip, drawing, writing, and cutting.
- Problem-solving and independence: Encouraging self-reliance and critical thinking.
- Social skills: Making friends, initiating conversations, turn-taking, and managing emotions.
- Attention and concentration: Increasing focus during tasks.
- Family involvement: We'll provide you with suggestions and ideas to continue supporting your child's skill development at home.
