

Explorers Play in the Park Free Playgroup

Learn, play and connect with our team and other families in a fun and welcoming environment.

Join us at Jarvie Park to connect with other parents and our supportive team while your children play, learn and socialise with their peers.

Playgroups are an excellent way for children to discover new skills and interact with others. They also provide opportunities for you to meet the Plumtree team and other families in a relaxed and welcoming environment.

During this playgroup, you and your child will:

- Connect with other families to share ideas and information, including the benefits of play and early learning for children's development
- Experience group time with songs, books and other fun activities
- Encourage your child's movement, play and communication development and access tailored guidance from experienced professionals
- Chat with our team about your child's development
- Explore and enjoy the beautiful surroundings of Jarvie Park
- Have fun in a friendly, encouraging and welcoming space!

Cost

Free

Date and time

Weekly sessions; 1.5 hours each;
Throughout the year, starting Monday 10 February,
9.30am to 11am.
Playgroup will not run on public holidays.

This program is for

This playgroup is for families with babies and young children up to 3 years old, including those who would like specialist developmental support from our team.
