

NDIS: Can I still buy it?

So much has changed to NDIS funding, let's explore what you need to know

Since October 3, 2024, new laws have changed how NDIS funds can be used, affecting which supports can be claimed. Some items now require special approval, while others are no longer claimable.

During this interactive session, you will:

- Learn what you can and can't spend NDIS funds on.
- Understand the process for requesting approval for household items and mobile devices under the "Replacement Rule."
- Understand how the NDIS funding rules work and why they matter for your family.
- Find out what to do if you make a mistake in your claims, how to correct it, and what the potential consequences are.
