Towards Toileting Independence

for children with disability or developmental delay

Please note: If you are a family with a school-aged child who, after many attempts, is still not toilet trained, you may require more intensive support or the services of an incontinence nurse. It is not likely this workshop will be of assistance as it is an introductory workshop.

For more info: Continence Foundation of Australia 1800 330 066

Come along to learn about:

- Parent and child readiness
- Skills needed for toilet training
- Environmental factors to consider
- The importance of staying positive

Cost

Free

Date and time

Tuesday 25 February 7.30pm to 9.30pm AEDT/NSW time

Location

Online via Zoom

This session is for

Parents, primary carers and family members of children aged 0-8 years.

This workshop was designed with children with disability or developmental delays in mind however, many of the strategies are relevant to all children.
